

# OUTDOOR ACTIVITIES

Looking for fun and safe outdoor activities and games for children? Try these nature-inspired activities to get your kids out of the house while learning about the environment around them.

## Nature Bingo

Explore the outdoors with Nature Bingo! Create your own board with various plants and animals in your neighborhood or use a template like this:

## Neighborhood Scavenger Hunt

Make your neighborhood walks more fun with a scavenger hunt! These can be based on colors, shapes, words, or common sights around your neighborhood.

## Nature Sculptures

Bring arts and crafts outdoors by building nature sculptures! Collect rocks, twigs, or leaves to create a three-dimensional sculpture.
